by adding the following new section immediately preceding the last section and by renumbering the subsequent section accordingly:

Section \_\_\_\_\_. Tennessee Code Annotated, Section 68-212-108, is amended by adding the following as a new subsection to be appropriately designated:

( ) (1) No person shall construct, substantially alter, or own or operate a hazardous waste recycling facility (whether portable, permanent, or other waste designation) receiving hazardous waste from any off-site source without first obtaining an operating and storage permit from the commissioner for such facility.

(2) The commission may issue an operating permit by rule for a hazardous waste recycling facility if the waste to be recycled is either:

(A) generated within Tennessee; or

(B) generated at sites outside of Tennessee if the out-of-state sites are no more distant from the recycling facility than the facility is distant from Murfreesboro, Tennessee.

(3) Any owner or operator of a hazardous waste recycling facility existing on the effective date of this act for which an operating permit would be required by this subsection may, if a permit is applied for, continue to operate until there is a final action on the permit application by the commissioner. The application for the permit under this subdivision must be submitted to the department of
